

# MOSSY LEA MESSENGER

Friday, 13th March 2020 XIII · III · MMXX

Good afternoon all!

Hope you're all well! Once again I'm delighted to report that Mossy is in great, great shape. A successful Health and Safety inspection today went well, which whilst not the highlight of my week what was nice was how impressed the officer was when comparing the school to 12 months ago—her comments of progress were most heart warming, and most welcome. Also, thank you for your support with Sport Relief—of course, we're not going to raise massive amounts—but we do raise, and help out where ever we can. So thanks once again for your support, and encouragement here.

The kids, and staff loved the trip to Liverpool... the close relationship with Roby Mill, and the formal Collaboration with St George's really help us offer some great opportunities to the kids. It really is ace.

**COVID -19** remains high profile in the news, and we've been asked to update you weekly on the spread, or containment of Coronavirus. Either Antonella or I will use Facebook where we will post all relevant information, so please, make sure you follow us on the Facebook Page, which is simply Wroughtington Mossy Lea Primary School. It's a tricky one COVID 19.... It's out there, but don't panic.... Just, for now at least, wash your hands.... Perhaps show your kids at home how to do a thorough hand wash... and let's ride it out.

**The latest advice is for anyone with a high temperature, or a new cough to self isolate for a week! Accordingly, please, if your child shows these symptoms go into self isolation for the 7 days.**

**Antonella will also keep you posted using the dojo communication system.**

Although I have no specific information, it is becoming increasingly likely that there is going to be some sort of school closure. Good luck. In situations like this it is my job, and our duty, to make things as easy for you all as possible. School has loads of on line resources that can be accessed from home. As more resources become available I will publish them on facebook.

There is plenty of work you can do at home, but I realise that any school closure will cause massive upheaval. Accordingly, all work is available, no work is compulsory.

At home, during any school closure you can:

Use Purple Mash - consolidate your previous learning.

You have the current, and previous homework menus that you can access. Discuss them. Complete activities.

Challenge each other on TT rock stars. We'll do a school closure league table!

You have your key spellings and key words sent home... learn to spell them.

Use twinkl..... go to [www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer), with the password being UKTWINKLHELPS

Read - Use bug Club, use oxford owl use 1st News.

Practise what you know in maths.... use My Maths.

So, it will be certainly very different, but, should it be beneficial to you, theres lots to be going on with.

I assure you that as i get information either I, or Antonella will publish it here, and on Facebook.

During the school closure I will still write to you weekly, Antonella will dojo you, and we will both update facebook and respond to your emails with great haste.

Apart from all that, once again, may I wish you a happy week, and having said all of that negativity about social media—don't forget to check in on our Facebook page. All the latest advice about COVID 19 is on a hot topic on there.

All the best, Andy

**Dates for diary! Have you down loaded the APP, or the website calendar.... All dates are now posted to that! IF**

Date	Event	Date	Event
20.3.2020	Easter lunch for 80! Here at Mossy! We'll be here, Roby will be here, the elders from the church will be here.... It will be lovely!	1.4.2020	Easter Service at Tunley
30.3.2020	British Spring Clean with West Lancs.....		
1.4.2020	Reception kids are off to Smithhills Farm with George's		

### **Couple of notes from Antonella.**

We have a governor vacancy here at Mossy. Being a governor gives you a greater insight into the running of the school. It needn't be a massive time commitment, just attend 3 meetings a year, and call in as a governor at your convenience 3 times a year. That said, you will need to be committed as it is a crucial role. An important role. And a role that we need. So, give it some thought, and if your keen to know more check out this website as to what being a governor is all about. Being a Governor is an important role in the life of the school as Governors work with the Headteacher in setting the overall direction of travel of the school. They are involved in staff appointments, the budget of the school, and expenditure on the premises of the school. They discuss student achievement and support and take an interest in the ways the school is continuing to maintain high standards. They support the Headteacher and School Leadership Team as they lead the school. If you're interested give your name to Gill in the office, and Andy or myself will be in touch.

Thank for all your help and support with the trip to Liverpool—the kids, and I had a great time!

Have a lovely weekend.

Antonella.
