

MOSSY LEA MESSENGER

14th June 2019 XXIV · VI · MMXIX

Wow, what a positive time for Mossy Lea. School is a hive of activity at the moment. Where else would your child have access to a high quality education with enrichment activities from qualified coaches such as Judo, archery, fitness training, Indian cooking and scooters safety (That's just this week!). In addition, the collaboration goes from strength to strength, the Year 6 children are off to London for the day to view the Houses of Parliament, Y2 are going on a residential to Bibby's Farm and the current Y5's are going to a PGL residential in September. More exciting plans are in development for the year ahead. Remember, any questions or concerns please let me, Andy or Antonella know and we will do our best to sort.
